Dear Paul,

Thank you very much. Sailing Aarhus is representing 5 major sailing clubs in Aarhus (Denmarks second largest city) and I believe that the most suitable place to run the event would be at the Egaa Sailing Club and Yachting harbor. I enclose a short presentation of the venue for your information and will present the possibility for the club.

When will we need to return to you with an answer the latest and have you other host clubs in consideration?

Med venlig hilsen/Regards
