**Bid for the 2011 International European Championships Europe Junior Class**

Dear Mr Berg,

the Lübecker Yacht Club is very interested in hosting the 2011 International European Championships Europe Junior Class in the waters of Travemünde, Germany, Baltic Sea.

The championships are should be sailed within the annual Travemünde Week. The proposed dates in 2011 are July 22 until July 31. Within this week we can surely manage a schedule for Check In, measurement, practice races and race days. The races for the EC will be held in a separate race course. There will be no interferences with other classes.

We can provide you with a separate measurement marquee and a place for class meetings. The tall ship "Passat" in the entrance of Travemünde harbour, the sailors' race village or several beach clubs are perfect places for social gatherings during the event. We are thinking of a reception of the Hanseatic Town of Lübeck. During the event we can have a barbeque party on the beach – and at the end of the week a prize giving at the race village. The annual Travemünde Week is a perfect attraction for the sailors and presents an outstanding international flair to everybody.

The Lübecker Yacht Club is an experienced organizer of big sailing events as you know. We can serve the Europe Class with superb logistic facilities.

You can find more information and photos of the Club and the Travemünde Week in our websites [www.lyc.de](http://www.lyc.de) and [www.travemuender-woche.net](http://www.travemuender-woche.net)

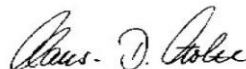

Beyond this formal bid we are sure you need some more information. Please do not hesitate to contact us if you need some more information in this early state.

We would be very glad to host the championships and are looking forward to successful European Championships in 2011 in the waters of Travemünde.

Kind regards
