Dear Sailors and Friends !

Welcome to the IECU-AGM 2010 . A special welcome to a great friend of our class , former IECU-president , now president of honour , Mr. Gustav Dahlberg .

The invitation was send 22-5 -2010 from IECU , and in relation to our constitution that is in time . Here are ??????? members represented , so I find the AGM legal . Somebody against ?

For this meeting we need 2 scrutinizers and 2 vote counters . Who ????

We have 9 points on the agenda and I will start now :
Point 2 :

Dear Friends !

As usual first a big thank you to the IECU-board for the great job you are doing for the class .

The board have nearly daily been in contact on the internet . In general it have been a quite year without problems .

I believe that a company doing what it use to do , is a company stepping backwards . I also believe it is the same for a boat-class .

Our number of members have now stopped to fall . This year we have 13 paying members . When we was the most we was 37 . That was in 2003 . Since then we continuously lost members . Of course our company (IECU) is a smaller company now (les members , les income) , and have to adjust it self to the new situation .

Of the above reasons I find it as a natural work for the new president to do that .

A very big thank you to the board for perfect cooperation , and always good advices .

I am very proud and grateful for being the IECU-president the last 9 years . But now the class need a new captain for a new start as European youth-class . I believe Paul will be the right one for doing that .

I wish the class and the new President all the very best in the future .

Thanks a lot

Jan Abrahamsen
